- a. The Upfront Brokerage paid to a Distributor will be recovered from the Distributor, if the investment for which such upfront brokerage was paid is redeemed/switched out to any other scheme or to the Direct Plans before the completion of the clawback period. The basis for the same will be as outlined in points (b) and (d) below.
- b. For **Brokerage Structure** outlined above (**Total Upfront**), the recovery will be made on pro-rata basis, depending upon the number of days for which the investment has stayed invested in the fund before being redeemed / switched out to any other scheme or to the Direct Plan before the completion of exit load period for the specified fund from the date of allotment.

For redemptions before the clawback period, the recovery of brokerage will be equal to (upfront brokerage paid x (no of days for the clawback period-no of days the monies have stayed in the funds))/(no of days for the clawback period).

- c. The following example explains the same:

An upfront brokerage of 1.00% is paid on an Equity Fund, where the Exit Load period is 1 Year. For and investment of Rs. 1, 00,000/-, a distributor would be paid a sum of Rs. 1000/- as the upfront brokerage. The investor redeems this money exactly after completion of 180 days. In this case, the recovery will be of Rs. 506.85, computed as $((1000*(365-180))/365)$ as per the above formula.

- d. For ****Brokerage Structure** outlined above (**Extra Incentives only for B 15**), FULL RECOVERY of the additional brokerage paid will be done in case the Investor redeems/switches out to any other scheme or to the Direct Plan the amount before the completion of **ONE YEAR** from the date of allotment, irrespective of the Exit Load period applicable to the Fund.

The following example explains the same

An upfront brokerage of 2.50% (1.00% upfront & 1.50% additional upfront) is paid on an Equity Fund, where the Exit Load period is 1 Year. For and investment of Rs. 1, 00,000/-, a distributor would be paid a sum of Rs. 2500/- as the upfront brokerage. The investor redeems this money exactly after completion of 180 days. In this case, the recovery will be of Rs. 2006.85/- $((1000*(365-180))/365+1500)$.

- e. The Recovery will be made from the Brokerage payable to the Distributor for the month in which redemption has been made. E.g. If the redemption has been made in the month of March'16, the recovery will be made from the brokerage payable for the month of March'16 in April'16.
 - f. In case the Brokerage payable to the Distributor is insufficient to cover the Recovery amount, the Recovery will be tried for three consecutive months, including the first month when the recovery was tried to be affected. In case the Recovery is still not possible, a demand notice through Registered Post A.D. will be sent to the Distributor asking him to refund the money to the AMC. In case the distributor does not pay the money within 1 month from the date of receipt of the notice, the AMC will initiate appropriate legal proceeding including approaching AMFI for the resolution of the same.
